Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing. We have found that the fax software on our Local Area Network is not compatible with a small fraction of our subscribers' fax machines. If we experience problems, we will call you to determine if another fax machine is available, and if that fails, we will fax you the entire newsletter using our fax machine rather than the computer software.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

INSTRUCTIONS FOR BIDDERS AND CONTRACTORS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the MATERIALS, SUPPLIES, EQUIPMENT and SERVICES listed on the front page of our publication. To bid on an item listed, vendors must come to the Purchasing Department, Room 270, City Hall, in San Francisco to pick up bid documents. Documents should be requested by bid number. Bids cannot be mailed by phone request.

A more detailed description or specification of the commodity or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase and other legal requirements which the vendor must comply with are a part of the documents. Vendors are encouraged to inspect the document before submitting a bid.

Bids are assigned a three, four or five digit number depending on the estimated dollar value of the purchase. Generally, four digit bids are under \$50,000 and three and five digit bids are over \$50,000. Completed bids should be returned in the envelope provided no later than the date and time indicated on the bid form. Bids are opened publicly and vendors may be present at the opening.

CONSTRUCTION, CONSULTANTS and CONCESSION/LEASE contracts are administered and awarded by the department that is offering the contract. Contact the department listed to obtain bid document and/or information on bidding procedures.

Bid and Contract Opportunities

Volume 10, Number 27

January 14, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. For a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids in response to phone requests. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling the buyer listed below. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors must come to Purchasing, Room 270, City Hall, in San Francisco to pick up bid documents. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 28

January 21, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. For a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids in response to phone requests. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling the buyer listed below. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

We have found that the fax software on our Local Area Network is not compatible with small fraction of our subscribers' fax machines. If we experience problems, we will call you to determine if another fax machine is available, and if that fails, we will fax you the entire newsletter using our fax machine rather than the computer software.

San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors must come to Purchasing, Room 270, City Hall, in San Francisco to pick up bid documents. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 28

January 28, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. For a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids in response to phone requests. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling the buyer listed below. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

We have found that the fax software on our Local Area Network is not compatible with small fraction of our subscribers' fax machines. If we experience problems, we will call you to determine if another fax machine is available, and if that fails, we will fax you the entire newsletter using our fax machine rather than the computer software.

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors must come to Purchasing, Room 270, City Hall, in San Francisco to pick up bid documents. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility requests to departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities". The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 30

February 4, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. For a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids in response to phone requests. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling the buyer listed below. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

We have found that the fax software on our Local Area Network is not compatible with small fraction of our subscribers' fax machines. If we experience problems, we will call you to determine if another fax machine is available, and if that fails, we will fax you the entire newsletter using our fax machine rather than the computer software.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors must come to Purchasing, Room 270, City Hall, in San Francisco to pick up bid documents. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 31

February 11, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. For a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids in response to phone requests. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling the buyer listed below. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

We have found that the fax software on our Local Area Network is not compatible with small fraction of our subscribers' fax machines. If we experience problems, we will call you to determine if another fax machine is available, and if that fails, we will fax you the entire newsletter using our fax machine rather than the computer software.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors must come to Purchasing, Room 270, City Hall, in San Francisco to pick up bid documents. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 32

February 18, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. For a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids in response to phone requests. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling the buyer listed below. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors must come to Purchasing, Room 270, City Hall, in San Francisco to pick up bid documents. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 33

February 25, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. For a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids in response to phone requests. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling the buyer listed below. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors must come to Purchasing, Room 270, City Hall, in San Francisco to pick up bid documents. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 34

March 4, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. For a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids in response to phone requests. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling the buyer listed below. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors must come to Purchasing, Room 270, City Hall, in San Francisco to pick up bid documents. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 35

March 11, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

HOW TO GET A COPY OF A PURCHASING DEPARTMENT BID

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number), 415-554-6717. You must include the bid number. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number. We will mail you the bid.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing. We have found that the fax software on our Local Area Network is not compatible with a small fraction of our subscribers' fax machines. If we experience problems, we will call you to determine if another fax machine is available, and if that fails, we will fax you the entire newsletter using our fax machine rather than the computer software.

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors must come to Purchasing, Room 270, City Hall, in San Francisco to pick up bid documents. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 36

March 18, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID#	QTY.	DESCRIPTION	DATE DUE

HOW TO GET A COPY OF A PURCHASING DEPARTMENT BID

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number), 415-554-6717. You must include the bid number. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number. We will mail you the bid.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

We have found that the fax software on our Local Area Network is not compatible with a small fraction of our subscribers' fax machines. If we experience problems, we will call you to determine if another fax machine is available, and if that fails, we will fax you the entire newsletter using our fax machine rather than the computer software.

discrepancies occur, the information contained in the bid documents shall prevail.

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

NOTICE

departments' bid openings, pre-bid conferences, etc., contact those departments directly.

Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to

ACCESSIBILITY

Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract.

publicly and vendors may be present at the opening.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids

vendors to inspect the documents before submitting a bid.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages

by bid number. Purchasing cannot mail out bids in response to a phone request.

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested

Bid and Contract Opportunities

Volume 10, Number 37

March 25, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID#	QTY.	DESCRIPTION	DATE DUE
B001166	1	Backhoe/loader, 4-wheel drive	Mar 28

HOW TO GET A COPY OF A PURCHASING DEPARTMENT BID

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number), (415) 554-6717. You must include the bid number. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743. Do not call the number listed in the next section relating to faxing the newsletter.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

We have found that the fax software on our Local Area Network is not compatible with a small fraction of our subscribers' fax machines. If we experience problems, we will call you to determine if another fax machine is available, and if that fails, we will fax you the entire newsletter using our fax machine rather than the computer software.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 38

April 1, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID#	QTY.	DESCRIPTION	DATE DUE

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743. Do not call the number listed in the next section relating to faxing the newsletter.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

We have found that the fax software on our Local Area Network is not compatible with a small fraction of our subscribers' fax machines. If we experience problems, we will call you to determine if another fax machine is available, and if that fails, we will fax you the entire newsletter using our fax machine rather than the computer software.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 39

April 8, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

IMPORTANT NOTICE: See the last page for information on the SMALL BUSINESS FAIR, April 23, San Francisco State University.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to: Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743. Do not call the number listed in the next section relating to faxing the newsletter.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

We have found that the fax software on our Local Area Network is not compatible with a small fraction of our subscribers' fax machines. If we experience problems, we will call you to determine if another fax machine is available, and if that fails, we will fax you the entire newsletter using our fax machine rather than the computer software.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

Bid and Contract Opportunities

Volume 10, Number 40

April 15, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

IMPORTANT NOTICE: See the first page for information on the SMALL BUSINESS FAIR, April 23, San Francisco State University.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES
(managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid. To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. Do not send or fax to Purchasing a request for a bid which is managed by another department.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

Bid and Contract Opportunities

Volume 10, Number 41

April 22, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

Bid and Contract Opportunities

Volume 10, Number 42

April 29, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.
Do not send or fax to Purchasing a request for a bid which is managed by another department.

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 43

May 6, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid. To mail your request, mail it to: Purchasing Department

Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

City Hall, Room 270
Purchasing Department
City and County of San Francisco

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 44

May 13, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid. To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 45

May 20, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid. To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

Bid and Contract Opportunities

Volume 10, Number 46

May 27, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

CONSULTANTS and PROFESSIONAL SERVICES

RELOCATION CONSULTANT. Proposals will be sought shortly for a contract to provide relocation services in connection with the seismic retrofit of San Francisco City Hall. This service is different from those of a moving company; the firm chosen will advise and coordinate logistics on packing, labelling and planning the move. These services will be provided as a subcontractor to the construction management firm. The City Hall move will involve approximately 1,500 employees and 300, 00 square feet to three different locations. Proposers will be required to conduct business from facilities within the Bay Area, have a proven track record of providing volume relocation services similar in scope to this move, and to provide work services during normal business hours plus weekends, holidays/as needed. Proposer must have adequate staff dedicated to this project to be able to give immediate attention to the City's request for coordination, information, attendance at meetings, and other varied duties as required. A pre-proposal conference will be held in mid-June. Call 554-4851 or FAX 554-4849 (Attention: Joan Lubamersky) to be notified of this conference date and to receive a formal announcement of this contract availability. Response will be in writing; no telephone information is available. AA/EEO. Phone: 554-4851.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid. To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216. Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 47

June 3, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

CONSULTANTS and PROFESSIONAL SERVICES

RELOCATION CONSULTANT. Proposals will be sought shortly for a contract to provide relocation services in connection with the seismic retrofit of San Francisco City Hall. This service is different from those of a moving company; the firm chosen will advise and coordinate logistics on packing, labelling and planning the move. These services will be provided as a subcontractor to the construction management firm. The City Hall move will involve approximately 1,500 employees and 300,000 square feet to three different locations. Proposers will be required to conduct business from facilities within the Bay Area, have a proven track record of providing volume relocation services similar in scope to this move, and to provide work services during normal business hours plus weekends, holidays/as needed. Proposer must have adequate staff dedicated to this project to be able to give immediate attention to the City's request for coordination, information, attendance at meetings, and other varied duties as required. A pre-proposal conference will be held in mid-June. Call 554-4851 or FAX 554-4849 (Attention: Joan Lubamersky) to be notified of this conference date and to receive a formal announcement of this contract availability. Response will be in writing; no telephone information is available. AA/EEO. Phone: 554-4851.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 48

June 10, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

RELOCATION CONSULTANT. Proposals will be sought shortly for a contract to provide relocation services in connection with the seismic retrofit of San Francisco City Hall. This service is different from those of a moving company; the firm chosen will advise and coordinate logistics on packing, labelling and planning the move. These services will be provided as a subcontractor to the construction management firm. The City Hall move will involve moving approximately 1,500 employees and 300,000 square feet to three different locations. Proposers will be required to conduct business from facilities within the Bay Area, have a proven track record of providing volume relocation services similar in scope to this move, and provide services during normal business hours plus weekends and holidays as needed. Proposer must have adequate staff dedicated to this project to be able to give immediate attention to the City's request for coordination, information, attendance at meetings, and other varied duties as required. A mandatory pre-proposal conference will be held on June 14, 2:30 p.m. at Room 168 City Hall (Civil Service Training Room, at the rear of the Recorder's Office). Call 554-4851 or FAX 554-4849 (Attention: Joan Lubamersky) to receive a formal announcement of this contract availability. Response will be in writing; no telephone information is available. AA/EEO. Phone: 554-4851.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 49

June 17, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

RELOCATION CONSULTANT. Proposals will be sought shortly for a contract to provide relocation services in connection with the seismic retrofit of San Francisco City Hall. This service is different from those of a moving company; the firm chosen will advise and coordinate logistics on packing, labelling and planning the move. These services will be provided as a subcontractor to the construction management firm. The City Hall move will involve moving approximately 1,500 employees and 300,000 square feet to three different locations. Proposers will be required to conduct business from facilities within the Bay Area, have a proven track record of providing volume relocation services similar in scope to this move, and provide services during normal business hours plus weekends and holidays as needed. Proposer must have adequate staff dedicated to this project to be able to give immediate attention to the City's request for coordination, information, attendance at meetings, and other varied duties as required. A mandatory pre-proposal conference will be held on June 14, 2:30 p.m. at Room 168 City Hall (Civil Service Training Room, at the rear of the Recorder's Office). Call 554-4851 or FAX 554-4849 (Attention: Joan Lubamersky) to receive a formal announcement of this contract availability. Response will be in writing; no telephone information is available. AA/EEO. Phone: 554-4851.

BID DUE: June 24, 2 p.m.
DEPARTMENT: CAO/DPW
CONTACT: Joan Lubamersky, 554-4851

DURATION: 1 year
LOCATION: City Hall

GRAPHIC DESIGN. Graphic design and architectural illustrations for the draft Waterfront Plan. Pre-bid conf. Jun 22, 2 p.m., Ferry Bldg., Ste. 3100. Phone: 274-0547.

BID DUE: June 29, 4 p.m.
DEPARTMENT: Port
CONTACT: Gail Tang, 274-0547

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 51

July 1, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 52

July 8, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. Where discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 53

July 15, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID #	QTY.	DESCRIPTION	DATE DUE
6755		Fresh fruit and vegetable, potatoes and onions for Camp Mather	July 19

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 54

July 22, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 55

July 29, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 4:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 56

August 5, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 57

August 12, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID #	QTY.	DESCRIPTION	DATE DUE

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid.

If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 58

August 19, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID #	QTY.	DESCRIPTION	DATE DUE

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing. To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid. To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743. Do not send or fax to Purchasing a request for a bid which is managed by another department.

GOVT & BUSINESS DOCUMENTS

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 59

August 26, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like to us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 61

September 9, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

No listing this week.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like to us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 62

September 16, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID #	QTY.	DESCRIPTION	DATE DUE
6925	22	Replacement parts for Boeing-Vertol LRV; Cutler-Hammer	Sep 20

CONCESSIONS and LEASES

831 SAN FRANCISCO CITY STORE. The City and County of San Francisco seeks responses to a Request for Interest (RFI) to provide retail management, merchandising and marketing services for a proposed "San Francisco City Store." No "award of contract" will be made from this RFI process. However, a response must be submitted in order to qualify to submit a formal proposal, should the City and County decide to issue a Request for Proposals. Only parties who have submitted a response will be notified about a subsequent Request for Proposals process. An informational meeting for all interested parties has been scheduled for 12 noon, September 23, Room 282, City Hall. For a copy of the RFI, please call Neal Taniguchi, (415) 554-4857.

RFI DUE: October 3, 5 p.m.
DEPARTMENT: Chief Administrative Officer
CONTACT: Neal Taniguchi, Room 289, City Hall, San Francisco, 94102-4683, 554-4857

BID DUE: --
DEPARTMENT: SFO, Business and Finance
CONTACT: Judy Watson, 876-2365 or Sandra Crumpler, 876-7817

DURATION: 5 years
LOCATION: Airport

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like to us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 63

September 23, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID #	QTY.	DESCRIPTION	DATE DUE
81130		Fire hydrants	Sep 26
6947	1	Fax machine, Ricoh 3000L, laser, plain paper	Sep 27

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like to us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

Bid and Contract Opportunities

Volume 10, Number 64

September 30, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID #	QTY.	DESCRIPTION	DATE DUE
6965	6	Batteries, nickel cadmium	Oct 5
6966	130	Wristband, model W, high security, imprinted "San Francisco Sheriff"	Oct 5

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like to us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 65

October 7, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

The newsletter is now on television!

The information in the newsletter now appears on Citywatch, the San Francisco Government Access Channel, on Cable Channel 54 in San Francisco only. The bids run as part of the City Notices program, from 6-9 a.m., 7 days a week. The information is updated every Thursday morning.

We will keep you advised of any scheduling changes.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 66

October 14, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID #	QTY.	DESCRIPTION	DATE DUE

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like to us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

The newsletter is now on television!

The information in the newsletter now appears on Citywatch, the San Francisco Government Access Channel, on Cable Channel 54 in San Francisco only. The bids run as part of the City Notices program, from 6-9 a.m., 7 days a week and at 5 p.m. on Wednesdays and Thursdays in "Citywide Bid Notices." The information is updated every Thursday morning.

We will keep you advised of any scheduling changes.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 67

October 21, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID #	QTY.	DESCRIPTION	DATE DUE
7008	5	Apple Quadra 605, 4 MB RAM, 160 MB hard drive	Oct 25

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

The newsletter is now on television!

The information in the newsletter now appears on Citywatch, the San Francisco Government Access Channel, on Cable Channel 54 in San Francisco only. The bids run as part of the City Notices program, from 6-9 a.m., 7 days a week and at 5 p.m. on Wednesdays and Thursdays in "Citywide Bid Notices." The information is updated every Thursday morning.

We will keep you advised of any scheduling changes.

Selling to Fortune 500s

Chevron U.S.A.
225 Bush St., Room 1150, San Francisco
Friday, October 28
9 a.m. to 5 p.m.

Get the inside track on **selling to the \$500 billion+ market**. Find out why a major organization would want to do business with a small company--your company. Learn to research your target company, **break through** big business bureaucracy, **beat out** the often-bigger competition, and **build repeat business**.

Who Should Attend:

Decision makers of small to midsize companies with responsibility for sales, marketing, and business development.

You Will Leave this Seminar with:

- An action plan for selling to Fortune 500s
- Real life examples of how to sell to big business.
- Suggestions for low- or no-cost market research.
- Strategies for identifying and getting through to the decision maker.

Cost:

This smart-business seminar is being co-sponsored by Northern Telecom through the American Management Association (AMA). This course is regularly priced at \$225. **Consider the savings** through your NCSDC participation:

- NCSDC member firms: \$30 per attendee
- Non-NCSDC firms: \$50 per attendee

Deadline for registration is October 26.

Continental breakfast and lunch provided.

For further information, call the NCSDC at (415) 894-0022.

GOVT & BUSINESS DOCUMENTS

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

ACCESSIBILITY

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall. Should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 68

October 28, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES AND GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like to us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

The newsletter is now on television!

The information in the newsletter now appears on Citywatch, the San Francisco Government Access Channel, on Cable Channel 54 in San Francisco only. The bids run as part of the City Notices program, from 6-9 a.m., 7 days a week and at 5 p.m. on Wednesdays and Thursdays in "Citywide Bid Notices." The information is updated every Thursday morning.

We will keep you advised of any scheduling changes.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 69

November 4, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

DOCUMENTS DEPT.

NOV 4 1994

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 1:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

Bid and Contract Opportunities

Volume 10, Number 70

November 11, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 12:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

CIVIC CENTER

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 71

November 18, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 12:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

Would You Like to Receive the Newsletter by Fax Instead of by Mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

The newsletter is now on television!

The information in the newsletter now appears on Citywatch, the San Francisco Government Access Channel, on Cable Channel 54 in San Francisco only. The bids run as part of the City Notices program, from 6-9 a.m., 7 days a week and at 5 p.m. on Wednesdays and Thursdays in "Citywide Bid Notices." The information is updated every Thursday morning.

We will keep you advised of any scheduling changes.

Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 72

December 2, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 12:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

The Purchasing Department is moving January 20-22.

All City departments will be moving out of City Hall soon. Purchasing will move over the three days from Friday, January 20, through Sunday, January 22. Monday, January 23, will be a normal workday at our new location.

Our new address will be:

633 Folsom St., 5th Floor
San Francisco 94107-1304

The phone numbers will be the same. Our new building at 633 Folsom Street is between 2nd and 3rd Streets.

Public hours remain 12 noon to 5 p.m.

Please avoid coming to City Hall on Friday, January 20, because we will be packing and moving. We apologize for any inconvenience this may cause.

Would you like to receive the newsletter by fax instead of by mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

The newsletter is now on television!

The information in the newsletter now appears on Citywatch, the San Francisco Government Access Channel, Cable Channel 54 in San Francisco only. The bids run as part of the City Notices program, from 6-9 a.m., 7 days a week and at 5 p.m. on Wednesdays and Thursdays in "Citywide Bid Notices." The information is updated every Thursday morning.

We will keep you advised of any scheduling changes.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 73

December 9, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 12:00 and 5:00 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

The Purchasing Department is moving January 20-22.

All City departments will be moving out of City Hall soon. Purchasing will move over the three days from Friday, January 20, through Sunday, January 22. Monday, January 23, will be a normal workday at our new location.

Our new address will be:

633 Folsom St., 5th Floor
San Francisco 94107-1304

The phone numbers will be the same. Our new building at 633 Folsom Street is between 2nd and 3rd Streets.

Public hours remain 12 noon to 5 p.m.

Please avoid coming to City Hall on Friday, January 20, because we will be packing and moving. We apologize for any inconvenience this may cause.

Would you like to receive the newsletter by fax instead of by mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

The newsletter is now on television!

The information in the newsletter now appears on Citywatch, the San Francisco Government Access Channel, Cable Channel 54 in San Francisco only. The bids run as part of the City Notices program, from 6-9 a.m., 7 days a week and at 5 p.m. on Wednesdays and Thursdays in "Citywide Bid Notices." The information is updated every Thursday morning.

We will keep you advised of any scheduling changes.

Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 74

December 16, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

Next week's issue of the newsletter will be printed and faxed 1-2 days later than usual. There are two reasons for this. First, because there will no issue on December 30, the delay allows some more ads to be printed and reduces the gap between the December 23 issue and the January 6 issue. Second, Purchasing is preparing for its move in mid-January, and some of our personnel will be packing next week.

Faxing will begin Wednesday or Thursday night and finish Thursday or Friday night. The hardcopy newsletter should be mailed on Friday.

We apologize for any inconvenience this may cause.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 12 noon and 5 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:

Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

WE CANNOT FAX BIDS, but we can send them by Federal Express collect. If that's what you would like, please say so and give us your Federal Express account number.

Do not send or fax to Purchasing a request for a bid which is managed by another department.

The Purchasing Department is moving January 20-22.

All City departments will be moving out of City Hall soon. Purchasing will move over the three days from Friday, January 20, through Sunday, January 22. Monday, January 23, will be a normal workday at our new location.

Our new address will be:

633 Folsom St., 5th Floor
San Francisco 94107-1304

The phone numbers will be the same. Our new building at 633 Folsom Street is between 2nd and 3rd Streets.

Public hours remain 12 noon to 5 p.m.

Please avoid coming to City Hall on Friday, January 20, because we will be packing and moving. We apologize for any inconvenience this may cause.

Would you like to receive the newsletter by fax instead of by mail?

Purchasing faxes the "Bid and Contract Opportunities" newsletter to interested subscribers. Faxing can get the newsletter into your hands several days sooner than mailing it can. If you would like us to begin faxing it to you, please call (415) 554-6216.

Also, we can fax you only the parts of the newsletter you need, rather than the whole thing.

The newsletter is now on television!

The information in the newsletter now appears on Citywatch, the San Francisco Government Access Channel, Cable Channel 54 in San Francisco only. The bids run as part of the City Notices program, from 6-9 a.m., 7 days a week and at 5 p.m. on Wednesdays and Thursdays in "Citywide Bid Notices." The information is updated every Thursday morning.

We will keep you advised of any scheduling changes.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery, general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.

NOTICE

The City and County of San Francisco is not liable to any subscriber or any other user for damages or costs incurred in connection with the use of, or any reliance upon, any information contained in "Bid and Contract Opportunities." The information contained herein is subject to typographical error in the transcribing or printing of its contents. Information contained in this publication is intended only as a notification to readers of available bidding and contracting opportunities. When discrepancies occur, the information contained in the bid documents shall prevail.

Bid and Contract Opportunities

Volume 10, Number 75

December 23, 1994

This newsletter is San Francisco's weekly listing of bids for contracts, construction, consultants, and concessions and leases. Where you should call for more information, or where you should call or go to get a copy of a bid, depends on what department is managing the bid.

The first "Equipment, Supplies and General Services" section lists bids managed by the Purchasing Department. If you have a question about a Purchasing bid, you should obtain a copy of the bid before calling Purchasing. To have a Purchasing bid mailed to you, follow the instructions on the last page. To bid on transactions listed in other sections, call the contracting official for the department or agency which is offering the contract.

EQUIPMENT, SUPPLIES and GENERAL SERVICES (managed by Purchasing)

BID #	QTY.	DESCRIPTION	DATE DUE

How to Get a Copy of a Purchasing Department Bid

If you are in San Francisco and would like a copy of a Purchasing bid, you must visit Room 270 in City Hall between 12 noon and 5 p.m., because we cannot mail bids within San Francisco. If you are located outside San Francisco, you must fax or mail a bid request to Purchasing.

To fax your request, fax it to: Bid Desk, (bid number and due date), (415) 554-6717. You must include the bid number and bid due date. We will mail you the bid.

To mail your request, mail it to:
Purchasing Department
Bid Desk, (bid number and due date)
City Hall, Room 270
San Francisco, CA 94102-4685

You must include the bid number and bid due date. We will mail you the bid. If you have questions about a bid request you have submitted, call Purchasing's front counter at (415) 554-6743.

WE CANNOT FAX BIDS, but we can send them by **Federal Express collect.** If that's what you would like, please say so and give us your **Federal Express account number.**

Do not send or fax to Purchasing a request for a bid which is managed by another department.

The Purchasing Department is moving January 20-22.

All City departments will be moving out of City Hall soon. Purchasing will move over the three days from Friday, January 20, through Sunday, January 22. Monday, January 23, will be a normal workday at our new location.

Our new address will be:
633 Folsom St., 5th Floor
San Francisco 94107-1304

The phone numbers will be the same. Our new building at 633 Folsom Street is between 2nd and 3rd Streets.

Public hours remain 12 noon to 5 p.m.

Please avoid coming to City Hall on Friday, January 20, because we will be packing and moving. We apologize for any inconvenience this may cause.

The newsletter is now on television!

The information in the newsletter now appears on Citywatch, the San Francisco Government Access Channel, Cable Channel 54 in San Francisco only. The bids run as part of the City Notices program, from 6-9 a.m., 7 days a week and at 5 p.m. on Wednesdays and Thursdays in "Citywide Bid Notices." The information is updated every Thursday morning.

We will keep you advised of any scheduling changes.

City and County of San Francisco
Purchasing Department
City Hall, Room 270
San Francisco, CA 94102-4685

INSTRUCTIONS

The City and County of San Francisco Purchasing Department uses a competitive bidding process to purchase the Equipment, Supplies and General Services listed on the front page of our publication. To bid, vendors may request bids by following the instructions at the end of the newsletter. Documents should be requested by bid number. Purchasing cannot mail out bids in response to a phone request.

A more detailed description or specification of the product or service which we are purchasing is shown on the bid document itself. In addition, terms of delivery general conditions which apply to the purchase, and other legal requirements which the vendor must comply with, are part of the documents. Purchasing encourages vendors to inspect the documents before submitting a bid.

Bids have a 3-, 4- or 5-digit number, depending on the estimated dollar value of the purchase. Generally, 4-digit bids are under \$50,000 and 3- and 5-digit bids are over \$50,000. Vendors should return completed bids in the envelope provided no later than the date and time indicated on the bid form. Purchasing opens bids publicly and vendors may be present at the opening.

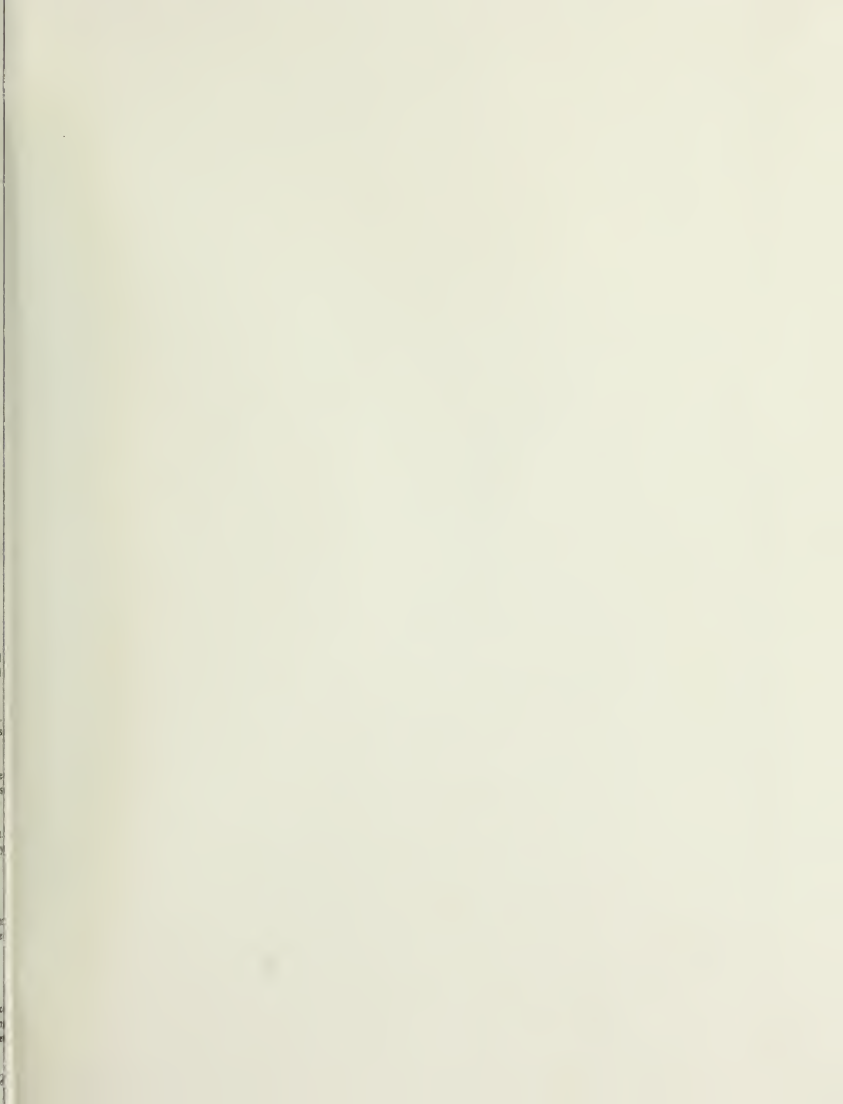

Construction, Consultants and Professional Services, Concession and Lease contracts are administered and awarded by the department that is offering the contract. Also, the newsletter sometimes contains a second Equipment, Supplies and General Services section, which lists these types of contracts but which are offered by departments other than Purchasing. Contact the department listed to obtain bid documents and information on bidding procedures.

ACCESSIBILITY

Vendor representatives who need accessibility accommodations for attending Purchasing's bid openings in Room 282, City Hall, should direct their requests to Purchasing's ADA Coordinator at 554-6743. Requests should be made at least 72 hours in advance of the bid opening. For information on accessibility for other departments' bid openings, pre-bid conferences, etc., contact those departments directly.
